

ENROLLMENT DEADLINES

Rolling Admissions and Enrollment

Our Priority Enrollment and First-Day-of-School deadlines have passed. We are now accepting applications through **Rolling Admissions**.

How It Works

- **Apply:** Complete the online application.
- **Application Review & Enrollment:** Our Admissions team reviews your application and finalizes enrollment.
- **CORE:** Sign up for CORE and meet your Success Coach.
- **Class Scheduling:** Receive your student's class schedule.
- **Welcome Letter:** Receive a welcome letter from the principal on Wednesday before school starts.
- **CORE:** Attend CORE the week before school starts.
- **First-Day Orientation:** Attend orientation on the first day of school.

Rolling Admissions is available throughout the school year, making it easier for families transitioning to online learning to get started.
